OTHER GREAT RESOURCES:

Mystery

Method / Love Systems Mystery, a.k.a. Erik von Markovic, is the tall illusionist from Toronto, who developed himself into a world class seduction guru while engineering one of the most interesting seduction methods available today. Doc guided Neil Strauss (Rolling Stone columnist and author of five top selling books, also known as "Style") to save Mystery from near self-destruction in best-seller "The Game". Mystery was based in Los Angeles, later relocated to Las Vegas, and today offers workshops on Picking Up Strippers and Magic For Seduction.

Cliff's

List The most well respected and longest running free email list in the seduction community. Cliff's interview with Doc is legendary in the community of seducers. A copy of this interview is also available here on our LIFESKILLS Network site.

mASF moderated Alt.Seduction.Fast, one of the main sites on the internet to post your "field reports" and discuss seduction with other members of the worldwide community.

Clinique

Alpha Canada's top health services clinic, located in beautiful Old Montreal, Quebec. Call for an appointment in Montreal with Dr. A. G. Sabongui or with one of his certified and accredited health care associates.

Wellness

Professionals Alliance Dynamic team of experts focused on skills training seminars and interventions that are designed to improve the functioning of individuals and organizations. At Wellness Professionals, our core philosophy is that people are the engine that drive organizations. The health and well being of any organization starts with the individual well being of its staff.
